2. Characteristic spirit and general objectives of the school

Whitecross N.S. is a Roman Catholic co-educational primary school with a Catholic ethos under the patronage of the Catholic Bishop of Meath and is situated in Julianstown in Co. Meath.

Whitecross N.S. is managed by a Board of Management, appointed under the terms of the Education Act (1998) and the Rules for Primary Schools and benefits from the support of an

active Parent's Association. At present, we have 402 children enrolled in our school and a staff which consists of an administrative Principal, sixteen mainstream teachers, four full time and one part-time special education teachers and three SNAs.

'Catholic schools are communities which are open, welcoming and inclusive. Therefore, Catholic schools may include children who adhere to other religions or other stances for living. While mindful of their duty to educate in the distinctive beliefs, values, and practices of the Catholic community, teachers will bear witness to an attitude of respect for and appreciation of all'. *'The Catholic Preschool & Primary Religious Education Curriculum p15'*

'Catholic Ethos' in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- the full and harmonious development of all aspects of the person of the pupil, including the intellectual, physical, cultural, moral and spiritual aspects; and
- a living relationship with God and with other people; and
- a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and the formation of the pupils in the Catholic faith,
- and which school provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Whitecross N.S. shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Our School Ethos:

Our school recognises the central role of the family as the primary educator of the child. We also accept and support the constitutional right and duty of the parents to provide for the religious, moral, intellectual, physical and social education of children.

Our school aims to provide the best possible environment to cater for the cultural, educational, moral, physical, religious, social, linguistic and spiritual values and traditions of all its students with the resources available to us. The focus of our school's philosophy is the education of the whole child to reach his/her full potential. We show special concern for the disadvantaged, respecting the dignity and uniqueness of each person. We cater for young people from a diverse range of backgrounds and have been quick to respond to the emerging needs of students and communities.

Our school upholds the values and principles of a Christian education in the Catholic tradition. Working together as a school community, the Board of Management, Principal, staff, parents and pupils will strive to provide an environment, which will allow all students to develop to their maximum potential and fulfil their role in society.

Finally, and equally as important as academic success, is the attitude of the children. We hope that on leaving Whitecross N.S. children will:

- Have concern and respect for the welfare of others and for the rules, which govern the community.
- Enjoy learning and be prepared to tackle further education.
- Be confident in their abilities.
- Be proud of their school and be a credit to their families.

Our Aims:

The school community of Whitecross N.S. aspires to promote a nurturing inclusive environment where each child is encouraged and motivated to become a responsible and happy individual.

We aim to create a school where each child achieves his/her full potential as a well-rounded responsible member of society through encouragement and example; where teaching the child includes the spiritual, intellectual, moral, physical and social aspects of human development; and where a love of learning and an appreciation of life and the world are engrained.

The school aims in particular to:

- Respect the dignity of the student with his/her background, tradition and beliefs, valuing the potential of each and encouraging the strong to support the weak.
- Enable the student to develop a healthy self-image and to form positive relationships with others.
- Encourage in the student a sense of creativity and of collaboration with others.
- Promote the student's appreciation of his/her cultural heritage.
- Prepare the student through academic training for his/her vocational role in life.
- Provide opportunities for the student to experience God in the wonder of creation, in worship and in service of others.
- Provide a disciplined atmosphere in which the student is encouraged to grow in freedom and to take increasing responsibility for his/her own education and for the life of the school community

Whitecross N.S. with the approval of the Minister for Education and Skills, has established a class to provide an education exclusively for students with ASD.

Children with special needs enrolling in Whitecross N.S. will be resourced in accordance with the level of resources provided to the school by the Department of Education and Skills to the Board of Management.

The Board of Management may request a copy of the child’s medical and/or psychological report or request that the child be assessed immediately in order to assist the school in establishing the educational needs of the child and to profile the support services required.

5. Admission of Students

Application Procedures

1. The application process usually takes place in January/February annually. The exact closing date will be published in our Admission Notice each year. This notice will be published on the school's website at least one week prior to the school commencing our annual admission process. We will also place a message in the parish bulletin and in the local playschools as to where the admission notice will be located.
2. **Junior Infants must be four years of age on or before April 1st of the school commencement year.**
3. Parents wishing for their children to attend this school should, in the first instance, make contact with the Principal/School Secretary to request an **'Application for Admission'** form. These forms may also be downloaded from the school website www.whitecrossschool.com. Parents will be reminded to read the admissions policy and other relevant policies on the school website. A hard copy of policies will also be available on request or may be viewed in the main school office.
4. Where both parents have joint-guardianship – as is the automatic case of married parents, or where an unmarried father has applied for & been granted joint-guardianship or where unmarried fathers/parents satisfy the legal requirements for guardianship under family law, both signatures are required on the **'Application for Admission'** form. In the case of a single guardian, this signature alone is required.
5. The application process is initiated on receipt of the fully completed and appropriately signed **'Application for Admission'** form together with a copy of the child's birth certificate by the school. A utility bill in the name of one of the parents/guardians dated not later than three months prior to the date of submission of the application is also required. The form will be date stamped on receipt by the school.
6. On receipt of an **'Application for Admission'** form, the date of application, child's date of birth, address and telephone contact numbers are recorded on the school's database (Aladdin Schools). This record of the application merely confirms that the application will be assessed under the criteria outlined below and does not confer any further status on that application.
7. Applications for admission to the special class for students with ASD should adhere to the procedures outlined above. The only separate requirement is that a completed **NCSE Form 7 (Notification to NCSE of Enrolment in a Special School/Special**

Class) and a copy of the **psychological report** recommending the placement of the child in an ASD class is submitted with the **Application for Admission**.

Please note:

- *Further relevant information may be sought at a later stage*
- *Telephone calls or personal school visits concerning enrolment will be facilitated, but are not in themselves enrolment applications.*

This school shall admit each student seeking admission except where –

- a) the school is oversubscribed (please see Section 5 below for further details)
- b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

The special class attached to Whitecross N.S. provides an education exclusively for students with ASD and the school may refuse admission to this class, where the student concerned does not have the specified category of special education needs provided for within this class.

All denominational schools

Whitecross N.S. is a Roman Catholic school and may refuse to admit as a student a person who is not Roman Catholic where it is proved that the refusal is essential to maintain the ethos of the school.

6. Oversubscription

Whitecross N.S. is at full enrolment capacity with sixteen mainstream classes. Each year, we enrol two classes of junior infants. The Board of Management has decided that the maximum number of pupils that it will allow in each junior infant class is 28. The special class for students with ASD caters for a maximum of 6 students.

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

Places in mainstream classes will be decided on the following criteria:

1. Brothers and sisters of children who are currently enrolled as pupils of Whitecross N.S.
2. Applicants resident within the boundary of Julianstown/Stamullen Parish

3. All other applicants

Places in ASD classes will be decided based on the following criteria:

3. Pupils living within the parish boundary of Julianstown/Stamullen Parish with the specified category of special educational needs provided for in this class.
4. Pupils living outside the parish boundary with the specified category of special educational needs provided for in this class

In the event that the number of applicants for enrolment outnumber the number of places available in any one of the criteria above, the following applies:

- Applicants will be prioritised by age, offering places to the oldest until all places are filled
- In the event that two applicants within a category are tied for the last remaining place (because they share the same date of birth) the place will be awarded to the oldest by virtue of time of birth recorded on the Birth Cert.
- In the event that twins apply and only one place remains, both twins will be offered a place

Unsuccessful applicants will be placed on a waiting list and will be prioritised in accordance with the criteria outlined above.

7. What will not be considered or taken into account

3. In the event that there are multiple applicants for a class and there is not a sufficient number of places, the criteria listed above applies.

Parents/Guardians will be required to provide details of the child's name (including birth cert name), child's address, date of birth, PPS number, nationality and child's mother tongue.
